

Boise® ASPEN™ 50

**No compromises,
only high-performance
all the way around.**

**Meeting high-performance standards is now easy
with ASPEN™ 50.**

Boise® ASPEN™ 50 is the perfect multi-purpose paper for those who want the same hard-working characteristics and brightness as a non-recycled sheet. It has excellent runnability which makes it a great choice for everyday general business document copying and printing such as e-mails, letters, memos and forms.

- 50% post-consumer content
- 92 brightness with blue-white shade
- Post-consumer content is processed chlorine free (PCF)
- Acid free
- FSC Certified

Working for you and the environment™.

Boise is committed to sustaining resources for future generations. Our impressive selection of Aspen branded recycled papers are environmentally preferable choices because the manufacturing process uses less water, less energy, fewer chemicals and fewer trees than the process for manufacturing non-recycled sheets. In fact, Boise's recycled paper manufacturing operations save more than one million trees a year. To find out more, contact your sales representative or visit www.BoiseAspen.com.

| Brightness | Weight | Number | Size | Color | Sheets/Ream | Reams/Ctn |
|------------|--------|--------|-----------------|-------|-------------|-----------|
| 92 | 20 lb. | 055011 | 8½" x 11" | white | 500 | 10 |
| 92 | 20 lb. | 055031 | 8½" x 11" - 3HP | white | 500 | 10 |
