Competitors

GP Premium Laser & Color Copier Cover, Hammermill Color Copy Cover, Mohawk Color Copy Cover, Wausau Exact Color Copy Cover, Xerox Digital Color Xpressions Cover, Xerox Digital Color Xpressions/Plus Cover

Benefits

- An elite color printing paper with smooth texture, radiant color clarity, and professional quality
- Optimizes performance of color laser printers and color copiers
- 2-sided printing capability
- 17 x 11 and 18 x 12 digital sizes are sheeted grain short for optimal folding and finishing
- Cover weights complement text weights
- Heavyweight papers ensure a better result with heavy-coverage color printing

Applications

- Great for sales collateral, flyers, presentations, documents with full-color coverage, and custom marketing materials requiring professional results
