PAPER WITH POP™

Green is more than a color.

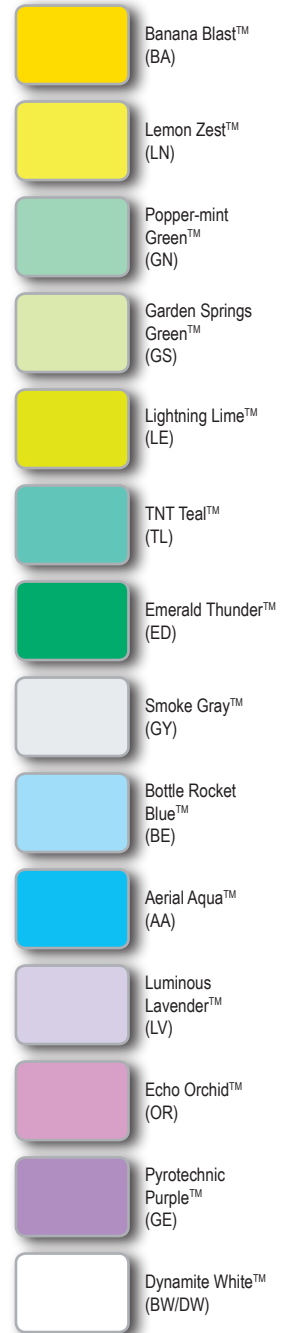

From inception, Boise® FIREWORX™ colored papers have captured the attention of users. While others separate colors into categories, the 28 colors in the *Boise FIREWORX* line span the spectrum and challenge the imagination.

Building on high performance and a robust offering of exciting shades, *Boise FIREWORX* products are engineered for environmental sustainability.

- ☀ All *Boise FIREWORX* colored papers carry either Forest Stewardship Council (FSC) or Sustainable Forestry Initiative (SFI®) Chain of Custody certification\*.
- ☀ Additionally, *Boise FIREWORX* ream wrap is made from paper! Unlike petroleum-based plastic wrap, paper wrap is easily biodegradable and made from wood, a sustainable resource.
- ☀ Nearly all papers in the *Boise FIREWORX* line contain 30% recycled fiber. ♻
