

Glossy Color Laser

High-fidelity color in high-definition.

Glossy Paper. Glowing Reviews.

When your work needs to shine, choose Boise® HD:P™ High-Definition Glossy Color Laser and Glossy Color Laser Cover. These 32 lb. and 100 lb. papers are gloss coated on both sides and provide distinctly intense color images and text reproduction.

Get ready for more intensity.

These designer-quality papers help you get the most out of color laser printers and color copiers. Put them to the test with full-color printing for brochures, sales collateral, full-page photos and more. For optimal folding and finishing, the 17" x 11" and 18" x 12" sizes are sheeted grain short.

The Boise® Difference.

High-quality products, impressive selection, outstanding value...because your business deserves our best. Contact your Boise Paper distributor or visit www.BoiseHDP.com to learn more.
