

# Your best work just got better.

**BOISE**

Beyond What's Expected.™

The big meeting. The final report. The sales pitch. Sometimes the situation calls for you to take it to the next level. After all, your work represents you – and it should look its very best. Ultra-smooth texture with crisp edges and vibrant colors make your work stand out from the rest, and that's what you get with Boise HD:P™ High-Definition Paper.

Our family of Presentation Laser papers are optimized for use in laser printers, color copiers and digital printers. It's the perfect choice for your most important documents: school reports, proposals and presentations, color charts and graphs, external communications...anytime you need to look your best!
