

## Target Market

Micro/Small-medium business customers who commonly print business and professional documents and want superior quality.

Print professional business documents with print-shop quality—without leaving the office. Brighter and glossier than other presentation papers, this paper features a smooth finish. Rely on HP for superior, consistent performance.

Print professional business documents with print-shop quality—without having to leave the office. This thick, heavy paper delivers sharp images, rich colors and an impressive appearance with a uniform, glossy finish.

Increase productivity, and save time and money. This reliable paper is specially formulated to print with minimal paper jams and multi-feeds. Unlike some other papers, this paper has been designed so you can print on either side of the page first.

Ensure professional presentations using paper that is guaranteed for optimal performance on HP Color LaserJet printers and compatible with most other laser printers and copiers. Rely on HP for consistent, precise results.
