

Unlock the power of your HP printer.

HP Papers with ColorLok® Technology produce documents that are visibly superior to documents printed on ordinary papers.

- Colors are up to 30 percent more vivid.
- Printed documents dry up to three times faster, so there's less risk of smears.
- Blacks are up to 60 percent bolder for extra sharpness and contrast.

Why buy anything less? Unlock your HP printer's capabilities by using HP Everyday Papers with ColorLok.
